

PRODUCT OFFERING

JASIC TECHNOLOGY INDIA PVT. LTD.

INTRODUCTION

JASIC is an international developer, manufacturer and supplier of welding inverters and integrated welding solutions that represent value, reliability, durability and innovation. An international sales network in 80 countries. JASIC has a worldwide reputation for providing the best quality with exceptional service

We combine the enviable manufacturing resources of JASIC and the design and creative expertise of our European, Australian and American Partners to produce products that are superbly functional, ergonomic and Cost effective

Our objective is to provide products that are of the highest quality, offer more features, and are Innovative & the Customer true value for money.

All the machines we sell, are manufactured too, and comply with the latest Indian as well as International standards, thus providing the operator assurance and certainty of safety, reliability, duty cycle performance and quality.

JASIC QUALITY

The concept of “JASIC Quality” goes well beyond product quality control. It's about implementing sustainability strategies in all aspects of JASIC's operation. Holder of ISO 9001: 2015 and ISO14001: 2015, JASIC strives to develop reliable, energy-efficient, and eco-friendly solutions to the global welding market. JASIC Quality ensures reliability and performance certified by the most prodigious quality management institutions in the world.
